

Minister's Excellence in Education Awards

Anglophone East School District Nomination Form

2024-2025 School Year

OVERVIEW

The purpose is to recognize and honour dynamic educators who have displayed outstanding skill in supporting the diverse needs of all learners.

The Minister's Excellence in Education Award is designed to:

- recognize the high calibre of educators working in our early learning and child care centres and schools;
- enhance the image of education in general and learning in particular; and
- inform the public about excellence in early learning and child care centres and schools.

AWARDS

Eleven educators will be selected to receive the Excellence in Education Award:

ASD-North

2

ASD-East

3

ASD-South

3

ASD-West

3

The awards will be presented by the Minister of Education and Early Childhood Development during a special ceremony.

ELIGIBILITY CRITERIA

Awards will be given to educators throughout our system including schools and early learning and child care centres. All educators and administrators currently employed in the province's Anglophone school system are eligible to be nominated.

The recipients will be chosen for demonstrating **evidence of excellence** in the following **four areas**:

Innovative educational practices and leadership

- Demonstrate a deep commitment to education, and a personal accountability for learning.
- Demonstrate a thorough understanding of current pedagogical theory and effective practices.
- Continually gather evidence of learners' needs and strengths and provide feedback and support.
- Demonstrate leadership skills by sharing practices and encouraging the potential of others.
- Use strategies and activities that challenge and support learners to build problem-solving and teamwork skills, develop self-management habits, become critical thinkers and learners, and be confident in their pursuit of knowledge and skills.
- Use strategies and practices that include the development of literacy and numeracy, safe & caring, and graduation.
- Innovative practices that may include using technology effectively to increase student achievement, engagement, and learning.

Responding to the diverse needs of all learners

- Encourage and support every learner's physical, academic and social involvement.
- Show flexibility, imagination, and persistence in providing learners with opportunities for engagement in learning experiences and the community.
- Understand each learner's individual strengths and challenges.
- Ensure that appropriate accommodations and interventions are respected and in place.
- Recognize and provide various ways that learners demonstrate their knowledge and skills.

Lifelong learning

- Demonstrate a commitment to personal continuous learning.
- Exhibit professionalism and participate in a professional learning community or organization.
- Contribute to the continuous improvement of the learning community based on research.

Fostering a positive learning environment

- Actively participate in the development of an effective learning environment.
- Manage activities and behaviour to create an environment of respect and rapport where every learner feels safe and welcome.
- Encourage and recognize children/students as they learn and contribute to the learning of others.
- Create a culture of high expectations for learners involving inquiry, innovation, and risk-taking.
- Inspire learners to dream big, set ambitious goals, and plan for success.
- Challenge and support learners to take on leadership roles.
- Build relationships with individual learners and effective communications with families.
- Develop collaborative relationships with organizations to increase resources and find supports.

SELECTION OF RECIPIENTS

- The Minister's Excellence in Education Award recipients are chosen by the District Education Council's Selection committee in collaboration with the Superintendent & CEO, or designate.
- Nominees will be evaluated on the evidence of exemplary achievements in the four areas described above.

NOMINATIONS

- Nominations for the Minister's Excellence in Education Award may be submitted by individuals or groups (parents, principals, leaders, colleagues, Parent School Support Committees, Home and School Associations, student councils, Board of Directors) in the nominee's school district.
- Individual educators may be nominated for this award from any public school or registered early learning centre.

- District Education Council members and School District office employees, including the District Early Childhood Directors, are ineligible to submit nominations as they may be asked to participate in the selection process.
- Before submitting a nomination, you must obtain the nominee's consent.
- Complete the nomination form on the next two pages.
- Attach two letters of support from different individuals or groups.
 - Include compelling evidence of how the nominee is an exemplary educator based on the criteria listed in the four areas.
 - Include on the letter the author and their role(s) (e.g., administrator, parent).
 - Letters should be no more than two pages.
- Send the completed form and the two letters to your school district office to the attention of Janique Chiasson, (janique.chiasson1@nbed.nb.ca) for the Superintendent & CEO, and District Education Council Selection Committee no later than **February 20, 2025**.
- No individual or group may submit more than one nomination in a given year.
