

Anglophone East School District (AESD)

Welcome to Anglophone East School District! We would also like to extend a warm welcome to the Anglophone East School District via the District's Student Welcome Centre. The Student Welcome Centre is the first point of contact for all families and students arriving from outside of our School District. We want to assure you that your child's education and well-being are of utmost importance to us. Last school year, the Student Welcome Centre successfully registered over 1900 students, and we are committed to providing the same level of care and support to your family.

To initiate the registration process, please visit our [registration page](#) on the Anglophone East School District website where you will find all the required forms and information. Once you have completed the online registration, you will be prompted to select a date for an in-person visit to the Student Welcome Centre. During this visit, you will need to bring along the necessary documents, which will also be listed on the website. This streamlined process ensures a smooth transition for your children into our school system.

Please be aware that registering and completing the subsequent necessary steps may take some time; we encourage you to begin the process as soon as possible upon your arrival. The Student Welcome Centre aims to make the experience as efficient as possible, but please note that **it could take up to four weeks** from registration to the first day of school for your child/children.

At the Student Welcome Centre, your child will undergo an intake assessment that may include a language assessment (if you are joining us from outside Canada), school readiness evaluation, and an assessment of their educational support services needs. This evaluation will help us determine the appropriate educational resources and support for your child, ensuring they have a positive and successful learning experience.

We understand that transitioning to a new school system can be both exciting and challenging. Our dedicated team at the Student Welcome Centre is here to assist you. If you have any questions or concerns, please do not hesitate to reach out to us.

Thank you for choosing the Anglophone East School District. We look forward to welcoming your family and supporting your children's educational journey.
