# Benefits of Learning French

- Fosters stronger literacy skills in both French and English
- Develops listening and learning skills
- Enhances problem solving abilities
- Increases cognitive abilities such as flexible and creative thinking
- Exposes learners to literature, art, music and theatre in another language
- Improves self-esteem and awareness towards French and other cultures
- Explore a variety of themes of interest (e.g., me, my family, food, clothing, leisure, and activities: sports, music, etc.).

# How do we measure French proficiency?

- All New Brunswick French pathways are aligned with the CEFR, or the **Common European Framework of Reference**
- It is an internationally recognized tool to describe language learning in any language.
- The CEFR shows how language skills develop over time. It describes a learner's progress, from beginner to more advanced levels.
- Learning French is **a lifelong journey**

# Levels of Proficiency

The level of French that learners attain will vary from one student to another, in the same way as progress varies in other subject areas

# French Second Language Pathways for 2026-27

There are multiple pathways to achieve French proficiency in New Brunswick:

## ENGLISH PRIME

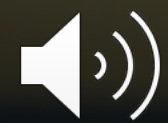

- Available in all schools
- **K to Grade 4:** Introduction to French through FLORA resources and Pre-Intensive French
- **Grade 5:** Intensive French
- **Grades 6 to 12:** Post-Intensive French

## FRENCH IMMERSION

- Offered in communities where there is sufficient interest and where it is deemed to be sustainable over time as per [Policy 309](#)
  - **Grade 1 Entry Point**  
Early French Immersion
  - **Grade 6 Entry Point** Late French Immersion

# ENGLISH PRIME PATHWAY

# English Prime Pathway Overview

- **K to Grade 4:** introduction to French primarily through French Learning Opportunities Reaching All (FLORA) resources and Pre-Intensive French
- **Grade 5:** Intensive 5-month block (occasionally 10-months) typically offered in Grade 5 (occasionally occurs in combined 4/5 classes).

At the end of Grade 5, there are two potential program options depending on the school: French as part of the Post-Intensive program or Late French Immersion (as per provincial [Policy 309](#)).

- **Grades 4-10:** Mandatory FSL courses
- **Grades 11-12:** Elective FSL courses in all schools

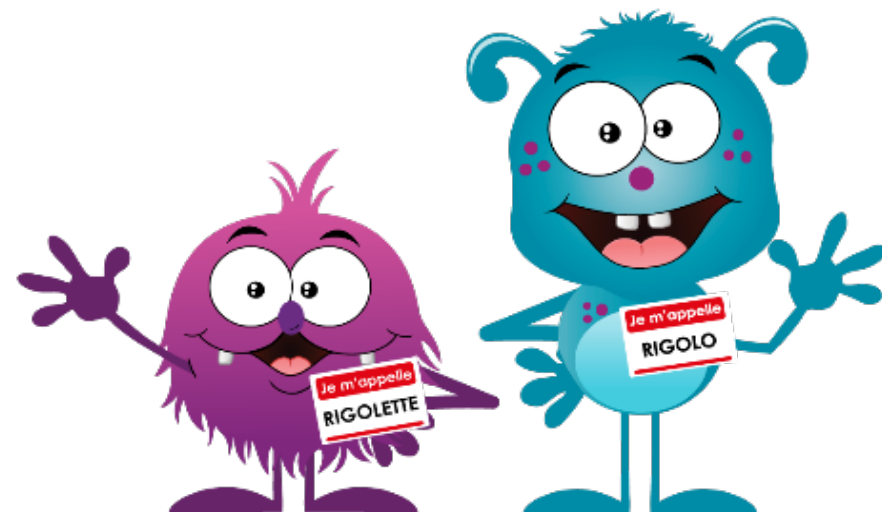

# Grades K-4: French Learning Opportunities Reaching All (FLORA)

- FLORA is a made-in-New Brunswick French resource for early language acquisition that includes educational songs, animated characters, readings and activities
- Accessible from home to support in-class learning and for fun
- Uses the same approach as Intensive French with a focus on listening and speaking.

# FRENCH IMMERSION PATHWAY

# French Immersion Overview

## LANGUAGE PROFICIENCY TARGETS

- Learners work towards French language achievement indicators in the areas of oral proficiency, reading, and writing.

## PROGRAM AVAILABILITY

- Registration supports district planning.
- Families are encouraged to register within the designated dates.
- Program availability is dependent upon student enrollment in accordance with [Policy 309](#).

## FRENCH IMMERSION AND INCLUSION

- French Immersion is an inclusive program that is accessible to **all learners** in accordance with provincial [Policy 309](#) and [Policy 322](#).

# Grade 1 Entry to French Immersion (Early FI)

- Early Immersion begins in Grade 1 when learners are immersed in French language for most of the day. Content such as Science, Math, and Social Studies is all taught in French.
- In the early years, language learning is nurtured through everyday activities such as playing, reading, writing, and storytelling in French.
- French language learning is embedded through the exploration of familiar and relevant topics, and cultural experiences.

## FRENCH INSTRUCTION

Grades 1 and 2: 85% or more

Grades 3 to 5: 80%

Grades 6 to 8: 70% or equivalent

Grade 9: 50%

Grades 10 to 12: 10 French Courses, or 40 credit hours

# Grade 6 Entry to French Immersion (Late FI)

- Literacy skills are developed through both French Immersion Language Arts and English Language Arts, as well as through all their core subject areas (e.g., social studies, science, mathematics, etc.)
- There is an emphasis on oral language in all subjects, followed by learning to read and write in French from the beginning of the program.
- Language is modelled; teachers support students as they gradually learn new concepts in their second language.

70% or equivalent of instruction is in French in Grades 6-8

50% of instruction is in French in Grade 9

10 courses instructed in French required across Grades 10-12 (students have choice of 40ch)

# How can families support French language learning?

**Proficiency grows with more time, more frequent interactions, strong motivation, and consistent exposure to French.**

- Support the expectation that French is the primary classroom language for speaking, reading and writing, as well as for interactions with the classroom teacher and peers.
- Encourage your child's attempts to practice
- Show interest in what they are learning at school, even if you do not speak French yourself
- Participate in special events that promote French language and culture
- Encourage time outside of school for French books, games, software, videos, television and radio
- Seek additional French opportunities for your child such as library visits, cultural activities, co-ops, internships, experiential learning programs, etc.

# Resources to Support Families

## The Centre of Excellence for Language Learning

- creates authentic French language experiences, supports families on their child's FSL journey, and builds partnerships with community groups to promote bilingualism as a life skill in NB.
