

## Anglophone East School District

1077 St. George Boulevard, Moncton, NB, E1E 4C9

Dear Anglophone East School District Families,

Like many of you, we are deeply saddened by the tragedy that occurred at a school in Tumbler Ridge, British Columbia yesterday. When events such as this happen in a community, the impact is felt far beyond provincial borders. Communities across the country are reminded of how connected we are in our shared commitment to children, families, and the educators and staff who care for them each day.

We are holding the students, families, educators, staff, and first responders in Tumbler Ridge in our thoughts as they face the weight of this loss and its impact on their community.

We also recognize that news of events like this can be unsettling and may cause stress or anxiety for children and adults alike. Please know that the well-being of our students and staff remains one of our core priorities. Our schools have staff, guidance counsellors, and support teams available to speak with students who may need reassurance or someone to talk to. We encourage families to connect with their child's school if additional support is needed.

Thank you for your continued partnership in keeping our schools safe, caring, and supportive places for every student. If you have any questions, please contact my office at any time.

Sincerely,

*Randolph J. MacLEAN*
